EDUCATION

**BACHELOR OF SCIENCE IN NURSING,
PEDIATRIC NURSING CERTIFICATION,
2017**

ACHIEVEMENTS

- Recognized for developing a health education program that increased student health awareness by 30%.
- Received the 'Excellence in Nursing' award for outstanding service in pediatric nursing.
- Successfully organized a community vaccination drive that immunized over 500 children.

PROFILE

Detail-oriented Registered Nurse with 5 years of experience in pediatric care. Passionate about promoting health education and wellness among children and their families. Experienced in providing compassionate care in a fast-paced environment, assessing patient needs, and coordinating care with physicians and specialists. Adept at handling complex medical cases and providing emotional support to young patients and their families.

EXPERIENCE

PEDIATRIC NURSE

Children's Health Clinic

2016 - Present

- Conducted thorough assessments of pediatric patients, documenting health histories and current conditions.
- Administered vaccinations and medications as prescribed, while monitoring for adverse reactions.
- Provided education to parents on child health, nutrition, and development milestones.
- Collaborated with pediatricians to create individualized care plans for patients with chronic illnesses.
- Participated in community health fairs to promote children's health and wellness initiatives.
- Maintained accurate patient records in compliance with healthcare regulations.

SCHOOL NURSE

Local School District

2014 - 2016

- Provided health assessments for students, identifying health issues and coordinating care as needed.
- Implemented health education programs on topics such as hygiene, nutrition, and safety.
- Developed emergency response plans for health-related crises in the school environment.
- Collaborated with parents and teachers to address students' health concerns and promote wellness.
- Maintained inventory of medical supplies and ensured compliance with health regulations.
- Documented all student interactions and health interventions in a confidential manner.
