MICHAEL ANDERSON

GERIATRIC NURSE

Empathetic and skilled Registered Nurse with 12 years of experience in geriatric care. Adept at building strong relationships with elderly patients and their families, ensuring the delivery of compassionate and personalized care. Demonstrated expertise in managing chronic health conditions, medication management, and coordinating care across multiple healthcare settings. Strong advocate for patient rights and dignity, with a focus on maintaining quality of life for seniors.

PROFESSIONAL EXPERIENCE

Senior Living Facility

Mar 2018 - Present

Geriatric Nurse

- Assessed and managed the health needs of elderly residents, creating individualized care plans.
- Administered medications and monitored for efficacy and side effects in collaboration with healthcare providers.
- Facilitated communication between residents, families, and interdisciplinary teams to ensure holistic care.
- Implemented fall prevention strategies which decreased incidents by 25% in the facility.
- Conducted regular health education workshops for residents and families on managing chronic illnesses.
- Maintained detailed health records and documentation in accordance with regulatory standards.

At Home Healthcare Services

Dec 2015 - Jan 2018

Home Health Nurse

- Delivered in-home nursing care for patients with chronic conditions, ensuring safety and comfort.
- Educated patients and caregivers on disease management and medication adherence.
- Coordinated with physicians and specialists to optimize care and address patient needs.
- Documented patient progress and changes in condition, reporting to healthcare team as necessary.
- Developed personalized care plans based on comprehensive patient assessments.
- Participated in community outreach programs to promote geriatric health awareness.

ACHIEVEMENTS

- Received the 'Best Geriatric Nurse' award in 2018 for outstanding patient care.
- Implemented a care transition program that reduced hospital readmissions by 30%.
- Successfully led a volunteer initiative that provided health screenings to over 200 seniors in the community.
