Michael Anderson

RISK MANAGEMENT OFFICER

Strategic regulatory transport officer with a specialization in risk management and mitigation within the transportation sector. Over eight years of experience in identifying, assessing, and managing risks associated with regulatory compliance. Proven ability to develop and implement risk management strategies that enhance organizational resilience and operational efficiency. Strong analytical skills facilitate the assessment of regulatory frameworks and their implications for transport operations.

EXPERIENCE

RISK MANAGEMENT OFFICER

Safe Transport Solutions

2016 - Present

- Conducted risk assessments to identify potential compliance vulnerabilities in transport operations.
- Developed risk mitigation plans and ensured their implementation across departments.
- Collaborated with operational teams to integrate risk management strategies into daily activities.
- Monitored compliance with risk management policies and procedures.
- Facilitated training sessions on risk awareness and compliance for staff.
- Prepared risk management reports for executive review, highlighting key findings and recommendations.

COMPLIANCE ANALYST

Regulatory Compliance Group

2014 - 2016

- Assisted in the development of compliance risk assessments for transport operations.
- Evaluated compliance data to identify trends and recommend improvements.
- Prepared compliance documentation for audits and regulatory reviews.
- Collaborated with cross-functional teams to ensure compliance with risk management protocols.
- Maintained up-to-date knowledge of regulatory changes and their implications for risk management.
- Supported the implementation of compliance training programs focused on risk management.
