MICHAEL ANDERSON

LEAD REINSURANCE ANALYST

Strategic Reinsurance Analyst with a robust foundation in actuarial science and financial risk management, adept at navigating complex reinsurance landscapes. Expertise lies in the development and analysis of risk transfer solutions that align with organizational objectives and market dynamics. Proven history of leveraging analytical prowess to inform underwriting practices and optimize capital allocation.

PROFESSIONAL EXPERIENCE

Pinnacle Reinsurance Group

Mar 2018 - Present

Lead Reinsurance Analyst

- Directed the analysis of reinsurance treaties to assess risk exposure and financial impact.
- Collaborated with actuarial teams to refine pricing models based on empirical data.
- Managed relationships with key reinsurers, negotiating favorable terms and conditions.
- Oversaw the preparation of regulatory submissions and compliance documentation.
- Implemented a new reporting framework that improved efficiency by 35%.
- Coordinated cross-functional initiatives to enhance data integrity and reporting accuracy.

Innovative Risk Solutions

Dec 2015 - Jan 2018

Reinsurance Analyst

- Conducted in-depth analysis of reinsurance contracts to identify potential risks.
- Prepared detailed reports for senior management on treaty performance.
- Assisted in the development of risk assessment tools to streamline processes.
- Engaged in market research to support strategic planning initiatives.
- Facilitated training sessions for junior staff on analytical methodologies.
- Participated in industry conferences to stay updated on trends and regulations.

ACHIEVEMENTS

- Awarded 'Excellence in Risk Management' for innovative solutions implemented.
- Improved treaty negotiation outcomes, resulting in a 20% increase in profitability.
- Presented research findings at a national conference, enhancing company visibility.
