MICHAEL ANDERSON

DISTRIBUTION MANAGER

Strategic Relief Distribution Coordinator with a robust background in retail logistics and inventory management. Expertise in designing and implementing distribution frameworks that enhance supply chain efficiency and customer satisfaction. Demonstrated ability to leverage advanced analytics to optimize inventory levels and reduce operational costs. Proven track record in leading cross-departmental projects aimed at improving logistics processes and enhancing service delivery.

PROFESSIONAL EXPERIENCE

Retail Supply Solutions

Mar 2018 - Present

Distribution Manager

- Oversaw distribution operations for a national retail chain, managing a team of 30 logistics professionals.
- Implemented an automated inventory tracking system that reduced stock discrepancies by 40%.
- Analyzed sales data to forecast demand and adjust inventory accordingly.
- Streamlined order fulfillment processes, improving delivery times by 20%.
- Collaborated with marketing and sales teams to align logistics with promotional campaigns.
- Developed training programs to enhance team capabilities in logistics management.

FastTrack Logistics

Dec 2015 - Jan 2018

Logistics Analyst

- Conducted analyses of logistics operations to identify areas for improvement.
- Assisted in the implementation of a new warehouse management system.
- Monitored key performance indicators to evaluate distribution effectiveness.
- Collaborated with suppliers to optimize transportation routes and costs.
- Developed reports to present findings and recommendations to management.
- Participated in cross-functional teams to enhance overall supply chain performance.

ACHIEVEMENTS

- Reduced logistics costs by 15% through process optimization initiatives.
- Enhanced customer satisfaction ratings by implementing a robust delivery tracking system.
- Recipient of 'Best Logistics Team' award for outstanding performance in 2020.
