Michael Anderson

SENIOR OPERATIONS MANAGER

Results-oriented Relief Operations Officer with extensive experience in managing humanitarian projects in diverse environments. Proven ability to lead teams in high-stress situations while maintaining a focus on achieving operational goals. Skilled in crisis management, operational logistics, and team coordination, resulting in effective relief delivery to affected populations. Strong analytical skills facilitate data-driven decision-making and strategic planning.

EXPERIENCE

SENIOR OPERATIONS MANAGER

International Medical Corps

2016 - Present

- Managed operations for health and nutrition programs, reaching over 30,000 beneficiaries.
- Oversaw multi-million dollar budgets, ensuring compliance with donor regulations.
- Coordinated with governmental and non-governmental partners to enhance program synergies.
- Led assessments to identify health needs and develop responsive strategies.
- Implemented quality assurance measures to improve service delivery.
- Trained field staff on operational best practices and reporting requirements.

RELIEF LOGISTICS OFFICER

UNICEF

2014 - 2016

- Coordinated logistics for emergency interventions, ensuring rapid response capabilities.
- Managed inventory and distribution of medical supplies in crisis zones.
- Collaborated with field teams to assess logistical needs and challenges.
- Developed and maintained logistics tracking systems to monitor supply chains.
- Engaged with community stakeholders to ensure alignment of logistics with local needs.
- Provided technical support to logistics staff in the field.
