SKILLS

- Online Learning
- Data Analysis
- Course Development
- Multimedia Integration
- Community Engagement
- Educational Technology

LANGUAGES

- English
- Spanish
- French

EDUCATION

BACHELOR OF SCIENCE IN RENEWABLE ENERGY ENGINEERING, UNIVERSITY OF TEXAS, 2014

ACHIEVEMENTS

- Increased online course enrollment by 250% within one year.
- Recognized for innovative online teaching practices by the National Education Association.
- Developed a highly-rated MOOC on renewable energy fundamentals.

WORK EXPERIENCE

ONLINE COURSE DEVELOPER

Renewable Learning Academy
2020 - 2025

- Designed and launched online courses on solar and wind energy systems.
- Utilized analytics tools to track course engagement and improve content delivery.
- Integrated multimedia elements to enhance the online learning experience.
- Developed assessments to measure learner understanding and retention.
- Collaborated with industry experts to ensure course relevance and accuracy.
- Managed community forums to support learner interaction and knowledge sharing.

RENEWABLE ENERGY INSTRUCTOR

Tech Institute
2015 - 2020

- Delivered in-person and virtual training sessions on renewable energy technologies.
- Utilized interactive tools to promote engagement during workshops.
- Conducted evaluations to assess the effectiveness of teaching methods.
- Provided one-on-one support to learners seeking additional assistance.
- Created resource materials for use in both classroom and online settings.
- Coordinated with local organizations to facilitate community-based learning opportunities.
