### SKILLS

- Project Management
- Engineering Design
- Risk Assessment
- Technical Training
- Compliance Management
- Installation

### LANGUAGES

- English
- Spanish
- French

### EDUCATION

**BACHELOR OF SCIENCE IN ELECTRICAL ENGINEERING, UNIVERSITY OF TEXAS, AUSTIN, 2015**

### ACHIEVEMENTS

- Successfully completed over 20 renewable energy projects under budget.
- Recognized for excellence in engineering design at the Annual Engineering Fair, 2022.
- Improved system performance by 25% through innovative engineering solutions.

### WORK EXPERIENCE

#### LEAD PROJECT ENGINEER

Renewable Energy Systems Ltd.

2020 - 2025

- Designed and implemented engineering solutions for renewable energy projects.
- Managed project timelines, budgets, and resource allocation effectively.
- Coordinated with contractors and vendors to ensure project compliance.
- Conducted risk assessments and developed mitigation strategies.
- Reviewed engineering designs and specifications for accuracy.
- Trained junior engineers on project management best practices.

#### RENEWABLE ENERGY TECHNICIAN

Green Power Solutions

2015 - 2020

- Installed and maintained solar energy systems for commercial clients.
- Performed troubleshooting and repairs on renewable energy equipment.
- Conducted site assessments to determine project feasibility.
- Collaborated with engineering teams to optimize system installations.
- Ensured compliance with safety and environmental regulations.
- Provided technical support and training to clients post-installation.
