WORK EXPERIENCE

Affordable Housing Project Manager

2020-2023

Community Builders Inc.

- Led the development of affordable housing projects in collaboration with local government.
- Secured over \$15 million in funding from various sources for new developments.
- Engaged with community stakeholders to identify housing needs and preferences.
- Managed project timelines and budgets to ensure successful completion.
- Facilitated workshops to educate residents on available housing resources.
- Advocated for policy changes to support affordable housing initiatives.

Community Outreach Coordinator

2019-2020

Housing for All Coalition

- Coordinated community meetings to discuss housing initiatives and gather feedback.
- Developed informative materials to educate the public on housing programs.
- Collaborated with local businesses to support housing projects and initiatives.
- Monitored project outcomes and reported on community impact.
- Established partnerships with local organizations to enhance resource sharing.
- Presented project updates to stakeholders and community members.

ACHIEVEMENTS

- Successfully completed a 200-unit affordable housing project ahead of schedule.
- Recognized by local government for outstanding contributions to community housing initiatives.
- Increased community engagement by 40% through outreach efforts.
