MICHAEL ANDERSON

TECHNOLOGY SOURCING SPECIALIST

Dynamic and innovative Responsible Sourcing Specialist with a strong foundation in technology procurement and supply chain optimization. Expertise includes leveraging data-driven insights to inform sourcing decisions and enhance operational efficiency. A thorough understanding of market dynamics and supplier capabilities underpins the ability to negotiate favorable terms and drive cost-effective sourcing solutions.

PROFESSIONAL EXPERIENCE

Tech Innovations Inc.

Mar 2018 - Present

Technology Sourcing Specialist

- Managed the procurement of software and hardware, achieving a 30% reduction in technology costs.
- Developed supplier performance metrics to assess and enhance service delivery.
- Negotiated licensing agreements that resulted in significant savings for the organization.
- Collaborated with IT teams to ensure alignment between technology needs and sourcing strategies.
- Implemented sourcing best practices that increased procurement efficiency by 20%.
- Conducted vendor risk assessments to mitigate potential disruptions in supply.

Global Tech Solutions

Dec 2015 - Jan 2018

Procurement Analyst

- Assisted in the development of sourcing strategies for IT products and services.
- Performed market analysis to identify emerging technology suppliers.
- Negotiated contracts with suppliers, focusing on cost control and service quality.
- Monitored supplier performance to ensure compliance with contract terms.
- Supported the implementation of procurement software to streamline processes.
- Collaborated with finance teams to analyze procurement spend and identify savings opportunities.

ACHIEVEMENTS

- Recognized for achieving significant cost savings through effective negotiation strategies.
- Received 'Outstanding Contributor' award for improving procurement processes.
- Successfully led a project that enhanced supplier performance metrics by 25%.
