

Michael

ANDERSON

WEB DEVELOPER

I am a detail-oriented Responsive Web Developer with over 4 years of experience in the non-profit sector. My work has focused on creating engaging and accessible websites that promote social causes and initiatives. I am passionate about using technology to make a positive impact in the community. My background in graphic design enhances my web development capabilities, allowing me to create visually appealing and functional sites.

WORK EXPERIENCE

WEB DEVELOPER

Social Impact Agency

2020 - 2025

- Developed and maintained responsive websites for various non-profit clients using WordPress.
- Ensured compliance with web accessibility standards (WCAG) for all projects.
- Created visually compelling layouts and graphics to enhance user engagement.
- Collaborated with stakeholders to align web content with organizational missions.
- Implemented social media integration to expand outreach efforts.
- Conducted training sessions for staff on website management and updates.

JUNIOR DESIGNER AND DEVELOPER

Creative Non-Profit Inc.

2015 - 2020

- Assisted in the design and development of promotional websites for fundraising events.
- Supported the implementation of responsive design techniques for mobile optimization.
- Collaborated with graphic designers to create cohesive branding across digital platforms.
- Updated website content regularly to reflect current campaigns and initiatives.
- Provided technical support for website users and clients.
- Participated in brainstorming sessions to generate innovative web ideas.
