

# MICHAEL ANDERSON

## RESTORATIVE DENTIST

### PROFILE

With over 8 years of specialized experience in restorative dentistry, I have established a reputation for providing high-quality dental care that prioritizes patient comfort and satisfaction. My career began in a large multi-specialty practice where I gained a wealth of experience in managing diverse cases. I am passionate about utilizing the latest technologies and techniques in restorative procedures, ensuring that patients receive optimal care.

### EXPERIENCE

#### RESTORATIVE DENTIST

##### Downtown Dental Group

2016 - Present

- Executed a variety of restorative procedures, including fillings, crowns, and implants, achieving a 90% success rate.
- Developed patient education materials to enhance understanding of restorative options, improving informed consent by 35%.
- Trained staff on the use of digital radiography, resulting in a 40% reduction in radiation exposure.
- Implemented a follow-up system for post-treatment care, which increased patient satisfaction scores by 20%.
- Conducted regular quality assurance audits to maintain high standards of care and compliance.
- Played a key role in community health fairs, providing free screenings and promoting oral health awareness.

#### DENTIST ASSOCIATE

##### Family Dental Care

2014 - 2016
