# MICHAEL ANDERSON

## SENIOR AESTHETIC RESTORATIVE DENTIST

As a restorative dentist with a focus on aesthetic dentistry, I have spent the last 12 years enhancing patients' smiles through comprehensive and personalized care. My career began in a high-end cosmetic dental practice, where I developed a keen eye for detail and a passion for creating beautiful, natural-looking restorations.

## **PROFESSIONAL EXPERIENCE**

### **Elite Smiles Dental Studio**

*Mar 2018 - Present*

Senior Aesthetic Restorative Dentist

- Specialized in aesthetic restorative procedures, creating custom smile designs for over 300 patients annually.
- Utilized advanced materials and techniques to deliver restorations that blend seamlessly with natural dentition.
- Conducted in-depth consultations to understand patient desires, resulting in a 95% satisfaction rate.
- Led a team of dental technicians to ensure high-quality outcomes in all restorative cases.
- Presented at national conferences on the latest trends in aesthetic dentistry.
- Implemented a patient feedback system that enhanced service delivery based on real-time insights.

### **Cosmetic Care Dental**

*Dec 2015 - Jan 2018*

Restorative Dentist

- Performed a variety of restorative and cosmetic procedures, achieving a 98% patient retention rate.
- Developed and executed marketing strategies that increased new patient intake by 40% within one year.
- Collaborated with other specialists to create comprehensive treatment plans that maximized patient outcomes.
- Maintained accurate patient records and treatment plans in compliance with healthcare regulations.
- Trained junior staff on the latest cosmetic techniques, enhancing team capability.
- Engaged in community outreach programs to promote dental health awareness and services.

## **ACHIEVEMENTS**

- Recognized as 'Top Cosmetic Dentist' by Dental Magazine in 2020.
- Increased practice visibility through social media campaigns that reached over 10,000 potential patients.
- Successfully launched a patient referral program that improved patient acquisition by 30%.
