

MICHAEL ANDERSON

Restorative Dentist

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

With a strong foundation in restorative dentistry and a commitment to patient care, I have spent 9 years working to enhance the oral health of my patients. My career has been characterized by a focus on preventive measures and restorative treatments that not only restore function but also improve aesthetics. I have worked in both urban and rural settings, allowing me to understand the diverse needs of different populations.

WORK EXPERIENCE

Restorative Dentist | Rural Health Dental Center

Jan 2022 – Present

- Provided restorative care to underserved populations, increasing access to dental services by 40%.
- Performed a variety of procedures, including restorative crowns and fillings, with a focus on patient comfort.
- Developed educational materials and workshops to promote oral health awareness in the community.
- Collaborated with local health organizations to provide comprehensive health services.
- Maintained accurate patient records and treatment plans to ensure continuity of care.
- Participated in outreach programs to provide free dental services to low-income families.

Associate Dentist | Metro Dental Care

Jul 2019 – Dec 2021

- Assisted in the management of a busy dental practice focusing on restorative and preventive care.
- Developed a patient follow-up system that increased patient return rates by 20%.
- Provided hands-on training for dental interns, enhancing their practical skills and confidence.
- Utilized digital imaging technology to enhance diagnosis and treatment planning.
- Participated in community health fairs to promote dental wellness and education.
- Maintained high standards of patient care and compliance with healthcare regulations.
