# MICHAEL ANDERSON

## OPERATIONAL RISK ANALYST

Proficient Risk Analyst with over 8 years of experience in the banking industry, focusing on operational risk and compliance management. Expertise includes identifying operational risk exposures and developing controls to mitigate those risks. Proven capability in conducting risk assessments, performing audits, and ensuring compliance with regulatory standards. Adept at utilizing risk management software tools to enhance data analysis and reporting capabilities.

## **PROFESSIONAL EXPERIENCE**

### **Metro Bank**

*Mar 2018 - Present*

Operational Risk Analyst

- Conducted operational risk assessments to identify vulnerabilities within banking operations.
- Developed and implemented risk control measures to mitigate identified risks.
- Performed audits and compliance checks to ensure adherence to regulatory requirements.
- Collaborated with various departments to enhance operational risk management processes.
- Prepared risk assessment reports for management review.
- Facilitated risk awareness training sessions for staff members.

### **Financial Services Ltd**

*Dec 2015 - Jan 2018*

Risk Management Associate

- Assisted in the development of operational risk frameworks and policies.
- Analyzed operational risk data to identify trends and areas for improvement.
- Collaborated with compliance officers to ensure effective risk governance.
- Drafted reports on operational risk incidents and recommended improvements.
- Participated in internal audits and provided recommendations for risk mitigation.
- Utilized risk management software to track and report on key risk indicators.

## **ACHIEVEMENTS**

- Achieved a 40% reduction in operational risk incidents through enhanced control measures.
- Recognized for excellence in risk management with an internal award.
- Developed a comprehensive risk reporting tool that improved visibility of risk metrics.
