# MICHAEL ANDERSON

## IT RISK AND COMPLIANCE ANALYST

Dynamic and results-driven Risk and Compliance Analyst with a robust understanding of information technology and cybersecurity compliance. Over 4 years of experience in assessing and mitigating risks associated with IT systems and ensuring compliance with data protection regulations. Experienced in performing vulnerability assessments, security audits, and compliance checks while collaborating with technical teams to implement corrective actions.

## **PROFESSIONAL EXPERIENCE**

### **TechSecure Inc.**

*Mar 2018 - Present*

IT Risk and Compliance Analyst

- Conducted IT compliance audits to ensure adherence to data protection regulations.
- Performed risk assessments on IT systems to identify vulnerabilities and compliance gaps.
- Collaborated with IT teams to develop and implement data protection strategies.
- Trained employees on cybersecurity policies and compliance procedures.
- Monitored compliance metrics and reported findings to senior leadership.
- Implemented security controls that reduced data breaches by 50% over one year.

### **CyberSafe Solutions**

*Dec 2015 - Jan 2018*

Compliance Analyst

- Assisted in developing cybersecurity compliance frameworks for clients.
- Conducted vulnerability assessments and penetration testing to identify security risks.
- Developed compliance documentation for GDPR and CCPA regulations.
- Worked with technical teams to remediate compliance issues and enhance security posture.
- Facilitated workshops that increased staff knowledge of IT compliance by 70%.
- Reduced audit findings by 40% through effective risk mitigation strategies.

## **ACHIEVEMENTS**

- Developed a training program recognized for improving cybersecurity awareness among employees.
- Received commendation for successfully leading compliance audits with zero findings.
- Achieved 100% compliance with GDPR requirements within the first year of implementation.
