EXPERTISE SKILLS

- Pharmaceutical Automation
- Regulatory Compliance
- System Programming
- Risk Assessment
- Team Collaboration
- Quality Assurance

LANGUAGES

- English
- Spanish
- French

CERTIFICATION

- Bachelor of Science in Robotics Engineering, University of Science, 2016

MICHAEL ANDERSON

ROBOTICS AUTOMATION ENGINEER

A dynamic Robot Commissioning Engineer with expertise in the pharmaceutical sector, bringing over 6 years of experience in automating production processes. Highly adept at the design and implementation of robotic systems that comply with stringent regulatory standards while enhancing operational efficiency. Proven ability to analyze complex production workflows and devise innovative robotic solutions that minimize human error and increase throughput.

PROFESSIONAL EXPERIENCE

PharmaTech Solutions

Mar 2018 - Present

Robotics Automation Engineer

- Developed robotic systems for automated packaging of pharmaceutical products.
- Ensured compliance with FDA regulations during system implementation.
- Conducted risk assessments to identify potential automation challenges.
- Collaborated with quality assurance teams to validate robotic functions.
- Implemented software updates to enhance system capabilities.
- Trained personnel on new robotic equipment and safety protocols.

BioAutomation Corp.

Dec 2015 - Jan 2018

Junior Robotics Engineer

- Assisted in the commissioning of robotic systems for laboratory environments.
- Performed routine maintenance and troubleshooting on robotic units.
- Documented technical procedures and user manuals for robotic systems.
- Participated in cross-functional teams to improve production efficiency.
- Supported the integration of robotic systems with existing laboratory equipment.
- Maintained compliance with safety and quality standards during operations.

ACHIEVEMENTS

- Streamlined packaging processes, reducing labor costs by 15%.
- Recognized for excellence in project execution with a company award.
- Improved system uptime by 20% through effective maintenance strategies.
