MICHAEL ANDERSON

PROJECT LEAD ROOF CARPENTER

Strategic Roof Carpenter with comprehensive knowledge in commercial roofing applications and project management. Expertise in the installation, repair, and maintenance of various roofing systems, delivering exceptional results for high-profile clients. Distinguished by an ability to assess project requirements accurately and allocate resources efficiently, ensuring optimal project delivery. Proven leadership skills enable effective team management and fostering of a collaborative work environment.

PROFESSIONAL EXPERIENCE

Titan Roofing Services

Mar 2018 - Present

Project Lead Roof Carpenter

- Directed multiple commercial roofing projects, ensuring adherence to timelines and budgets.
- Developed comprehensive project plans that improved workflow efficiency.
- Oversaw a team of carpenters, providing mentorship and guidance in installation techniques.
- Conducted risk assessments and implemented safety measures to mitigate hazards.
- Established client communication protocols that enhanced project transparency.
- Analyzed project performance metrics to identify and address areas for improvement.

Premier Roofing Group

Dec 2015 - Jan 2018

Roof Carpenter

- Executed roofing installations on large-scale commercial properties.
- Utilized cutting-edge roofing technologies to improve installation speed.
- Maintained compliance with local building codes and safety regulations.
- Performed detailed inspections to ensure quality standards were met.
- Collaborated with subcontractors to ensure cohesive project execution.
- Trained new hires in advanced roofing techniques and safety protocols.

ACHIEVEMENTS

- Led a project that was recognized for excellence in craftsmanship by the local builders association.
- Achieved a 30% reduction in project time through effective resource management.
- Received accolades for maintaining a flawless safety record across projects.
