MICHAEL ANDERSON

ROOF TRUSS INSTALLER

Accomplished Roof Truss Installer with a strong background in efficient and high-quality installations. Committed to delivering exceptional results while adhering to stringent safety standards. Demonstrates a thorough understanding of various truss systems and their applications in modern construction. Proven ability to troubleshoot and resolve on-site challenges effectively. Possesses excellent time management skills, ensuring projects are completed within designated timelines.

PROFESSIONAL EXPERIENCE

Global Truss Systems

Mar 2018 - Present

Roof Truss Installer

- Executed truss installations across a range of residential and commercial properties.
- Utilized advanced tools and machinery to ensure precision in assembly.
- Conducted safety briefings and ensured compliance on job sites.
- Collaborated with engineers to optimize truss designs for structural integrity.
- Maintained meticulous records of installation processes and materials used.
- Provided technical support and expertise to junior installers.

Premier Construction Group

Dec 2015 - Jan 2018

Assistant Roof Installer

- Supported lead installers in the assembly of truss systems on various sites.
- Assisted in material selection and procurement to optimize project budgets.
- Participated in safety training and adhered to industry regulations.
- Performed quality checks on installed trusses to ensure compliance.
- Engaged in problem-solving discussions to enhance installation methods.
- Provided feedback to management on process improvements.

ACHIEVEMENTS

- Completed over 100 projects with a 95% client satisfaction rating.
- Developed a training module that improved new hire efficiency by 30%.
- Recognized for outstanding teamwork and dedication to safety practices.
