

MICHAEL ANDERSON

LEAD ROUGH CARPENTER

PROFILE

Accomplished Rough Carpenter with extensive expertise in residential and commercial construction. Demonstrated proficiency in both the execution and management of carpentry projects, underscoring a commitment to craftsmanship and client satisfaction. Highly skilled in collaborating with multidisciplinary teams to achieve project goals efficiently and within budget. Recognized for the ability to adapt to new technologies and methodologies in carpentry, ensuring the highest standards of quality and safety.

EXPERIENCE

LEAD ROUGH CARPENTER

Urban Development Solutions

2016 - Present

- Directed a team of carpenters in executing complex framing projects for high-rise buildings.
- Enhanced workflow efficiency by implementing new project management software.
- Supervised the installation of energy-efficient insulation and structural materials.
- Conducted weekly safety training sessions to uphold industry standards.
- Monitored project timelines and budgets to ensure adherence to scope.
- Facilitated communication between architects and construction teams to align goals.

ROUGH CARPENTER

HomeCraft Innovations

2014 - 2016

- Constructed wooden frameworks and structural components for residential properties.
- Assisted in the design and implementation of custom cabinetry and built-ins.
- Operated heavy machinery and power tools with precision and care.
- Reviewed and interpreted architectural drawings to guide construction efforts.
- Participated in quality control inspections to ensure compliance with standards.
- Maintained effective communication with project stakeholders to address concerns.
