ACHIEVEMENTS

- Increased community participation in training programs by 40% within one year.
- Implemented a successful pilot program that improved soil health across 100 farms.
- Received commendation for outstanding service from the Regional Development Office.

PROFILE

Dynamic and results-oriented Rural Development Extension Officer with a robust background in community engagement and rural policy implementation. Specializes in facilitating capacity-building initiatives aimed at empowering local farmers and enhancing agricultural productivity. Proven track record in assessing community needs and designing programs that address socio-economic challenges faced by rural populations. An expert in leveraging technology to improve agricultural practices and promote sustainable resource management.

EXPERIENCE

RURAL DEVELOPMENT COORDINATOR

Community Empowerment Program

2016 - Present

- Coordinated community assessments to identify agricultural training needs.
- Led the development of a mobile application for farmers to access resources.
- Facilitated training on best practices in crop diversification.
- Engaged with local leaders to promote program participation.
- Monitored project implementation and provided feedback for improvements.
- Organized community forums for knowledge exchange among farmers.

EXTENSION SERVICES OFFICER

Rural Agricultural Agency

2014 - 2016

- Developed educational materials for farmer training programs.
- Conducted workshops on sustainable agricultural technologies.
- Established networks among farmers to share resources effectively.
- Assisted in the implementation of government-sponsored agricultural projects.
- Evaluated the impact of training sessions on community practices.
- Collaborated with NGOs to enhance project outreach and impact.
