# Michael Anderson

## FINANCIAL ANALYST

Strategic Rural Electrification Coordinator with comprehensive experience in finance and project implementation within the energy sector. Demonstrates a unique capability to analyze financial models and leverage funding opportunities to enhance electrification efforts in rural communities. Proven track record in managing budgets, forecasting costs, and ensuring financial compliance in large-scale energy projects.

## EXPERIENCE

### FINANCIAL ANALYST

Renewable Energy Finance Group

2016 - Present

- Analyzed financial models to assess the viability of rural electrification projects.
- Prepared detailed budget forecasts and financial reports for stakeholders.
- Collaborated with project managers to ensure financial compliance and reporting accuracy.
- Developed funding proposals to secure investment for energy initiatives.
- Monitored project expenditures to align with budgetary constraints.
- Conducted financial training sessions for project teams on compliance and reporting standards.

### PROJECT FINANCE COORDINATOR

Energy Access Fund

2014 - 2016

- Managed financial aspects of electrification projects, ensuring adherence to funding requirements.
- Engaged with investors to present project proposals and secure funding.
- Oversaw financial reporting and compliance for multiple projects across regions.
- Conducted risk assessments to identify financial challenges and develop mitigation strategies.
- Collaborated with cross-functional teams to align financial goals with project objectives.
- Prepared comprehensive financial documentation for audits and reviews.
