ACHIEVEMENTS

- Improved community health metrics by 35% through effective sanitation projects.
- Recognized for outstanding team leadership in project execution.
- Successfully secured funding for multiple projects through targeted grant applications.

WORK EXPERIENCE

INFRASTRUCTURE PROJECT ENGINEER

EcoBuild Solutions

2020 - 2025

- Designed and implemented rural sanitation projects that improved health outcomes for over 8,000 residents.
- Managed project schedules and budgets to ensure timely delivery and compliance with standards.
- Collaborated with local health organizations to assess community needs and tailor solutions.
- Conducted site assessments and feasibility studies for new infrastructure projects.
- Developed training materials for community members on sanitation practices.
- Utilized project management software to track progress and report to stakeholders.

ASSISTANT PROJECT MANAGER

Rural Water Initiative

2015 - 2020

- Supported the management of water supply projects impacting rural communities.
- Assisted in the preparation of project proposals and funding applications.
- Facilitated community meetings to discuss project plans and gather feedback.
- Monitored project timelines and deliverables to ensure compliance.
- Prepared reports on project progress for internal and external stakeholders.
- Collaborated with engineering teams to ensure design specifications were met.
