Visionary Rural Infrastructure Development Manager with over a decade of experience in spearheading projects that enhance community resilience and sustainability. Expertise lies in strategic planning, stakeholder engagement, and the implementation of innovative infrastructure solutions tailored to rural contexts. Demonstrated ability to lead multidisciplinary teams and manage complex projects from conception through execution, ensuring alignment with local needs and regulatory frameworks.

WORK EXPERIENCE

Senior Project Manager | Global Rural Development Initiative

Jan 2022 – Present

- Led a team of engineers and planners in the execution of a \$5 million rural water supply project, improving access to clean water for over 10,000 residents.
- Developed comprehensive project proposals and secured funding from international donors, increasing project viability and community impact.
- Coordinated with local governments to ensure compliance with environmental regulations and community standards.
- Implemented monitoring and evaluation frameworks to assess project outcomes and inform future initiatives.
- Facilitated workshops and training sessions for community members to enhance local capacity in project maintenance.
- Established partnerships with local NGOs to promote sustainable practices and community engagement in infrastructure projects.

Infrastructure Development Officer | Rural Development Agency

Jul 2019 – Dec 2021

- Managed the planning and execution of rural road construction projects, resulting in a 30% reduction in travel time for local farmers.
- Engaged with community stakeholders to gather input and ensure project alignment with local needs.
- Conducted feasibility studies and risk assessments to inform project design and implementation strategies.
- Monitored project budgets and timelines, ensuring adherence to financial and scheduling constraints.
- Collaborated with local businesses to source materials, fostering economic growth within the community.
- Presented project updates to government officials and community leaders, enhancing transparency and trust.
