### EDUCATION

#### Bachelor of Science in Civil Engineering

Regional University  
2014

### SKILLS

- Project Management
- Civil Engineering
- Community Engagement
- Utility Systems
- Budget Management
- Quality Assurance

### LANGUAGES

- English
- Spanish
- French

### WORK EXPERIENCE

#### Project Engineer

2020-2023

Innovative Infrastructure Solutions

- Led the design and implementation of rural utility projects, enhancing service delivery for local residents.
- Utilized project management software to monitor project progress and budget compliance.
- Engaged with community stakeholders to ensure project alignment with local needs and expectations.
- Conducted site assessments and inspections to maintain quality standards.
- Facilitated training sessions for local teams on infrastructure maintenance best practices.
- Prepared detailed reports for stakeholders, outlining project outcomes and community feedback.

#### Assistant Project Manager

2019-2020

Rural Engineering Associates

- Supported project management efforts for transportation infrastructure projects in rural areas.
- Conducted research on local infrastructure needs to inform project development.
- Managed documentation and reporting for project milestones and deliverables.
- Collaborated with engineers to develop innovative solutions for project challenges.
- Participated in community outreach efforts to gather input and build support for projects.
- Monitored project budgets to ensure financial efficiency.

### ACHIEVEMENTS

- Recognized for outstanding project delivery on a rural utility project in 2020.
- Increased community engagement in infrastructure projects by 35% through targeted outreach efforts.
- Authored a technical report on rural infrastructure trends published in an engineering journal.
