# MICHAEL ANDERSON

## CONSTRUCTION SAFETY MANAGER

Highly skilled Safety and Regulatory Officer with a profound commitment to promoting workplace safety and regulatory compliance within the construction industry. Expertise in identifying hazards, conducting thorough risk assessments, and implementing effective safety protocols. Demonstrated ability to lead safety training initiatives, ensuring that all personnel are equipped with the necessary knowledge to uphold safety standards.

## **PROFESSIONAL EXPERIENCE**

### **BuildSafe Construction**

*Mar 2018 - Present*

Construction Safety Manager

- Oversaw safety programs on multiple construction sites, ensuring compliance with OSHA standards.
- Conducted site inspections and risk assessments to identify hazards.
- Organized and led safety training sessions for all construction personnel.
- Developed safety policies and procedures tailored to specific projects.
- Managed safety incident investigations and reported findings to upper management.
- Collaborated with subcontractors to enhance safety practices across projects.

### **Urban Development Corp**

*Dec 2015 - Jan 2018*

Safety Coordinator

- Assisted in the implementation of site-specific safety plans.
- Conducted training on emergency response procedures for construction teams.
- Monitored compliance with safety regulations and maintained records.
- Facilitated regular safety meetings to discuss safety performance and improvements.
- Evaluated safety equipment and ensured proper usage on site.
- Reported safety performance metrics to management on a monthly basis.

## **ACHIEVEMENTS**

- Reduced lost-time incidents by 40% over two years through proactive safety measures.
- Received 'Safety Excellence Award' from the National Construction Association.
- Successfully implemented a safety program adopted by multiple projects.
