WORK EXPERIENCE

Community Sailing Instructor

2020-2023

Sailing for All

- Designed inclusive sailing programs that cater to individuals of all abilities.
- Organized community sailing days to promote participation and awareness.
- Developed partnerships with local nonprofits to provide sailing access for underserved populations.
- Facilitated workshops on sailing skills and safety for community members.
- Evaluated program effectiveness through participant feedback and engagement metrics.
- Promoted sailing as a means of personal development and community building.

Sailing Outreach Coordinator

2019-2020

Community Watersports Initiative

- Coordinated outreach programs aimed at increasing sailing participation among youth.
- Developed educational materials to support sailing instruction for beginners.
- Engaged with local schools to introduce sailing as part of physical education programs.
- Organized fundraising events to support community sailing initiatives.
- Collaborated with local businesses to sponsor sailing events and programs.
- Promoted environmental awareness through sailing and water safety education.

ACHIEVEMENTS

- Increased community participation in sailing programs by 70% over three years.
- Successfully secured grant funding for community outreach initiatives.
- Recipient of the Community Leadership Award for contributions to local sailing programs.
