Michael Anderson

ACADEMIC COACH

Experienced School Academic Coach with a strong focus on high-stakes testing and academic performance. Over the past 8 years, I have dedicated my career to equipping students with the skills and strategies they need to excel in standardized tests and beyond. I have developed comprehensive coaching programs that address the specific needs of students, helping them build confidence and improve their test-taking abilities.

EXPERIENCE

ACADEMIC COACH

Fairview High School

2016 - Present

- Designed and implemented a test preparation program that increased student scores by an average of 20%.
- Conducted training sessions for teachers on effective test preparation strategies.
- Utilized data analytics tools to track student progress and adapt coaching techniques accordingly.
- Organized mock testing sessions to familiarize students with the testing environment.
- Provided individualized coaching to over 200 students, enhancing their test-taking skills.
- Collaborated with school counselors to identify and support at-risk students.

TESTING COORDINATOR

Crescent High School

2014 - 2016

- Managed all aspects of standardized testing for the school, ensuring compliance with state regulations.
- Analyzed testing data to identify trends and inform instructional practices.
- Developed training materials for staff on test administration procedures and best practices.
- Communicated with parents regarding testing schedules and resources.
- Enhanced student motivation and preparedness through targeted workshops.
- Worked with administration to implement school-wide strategies for improving test scores.
