Formative Assessment Specialist

- San Francisco, CA
- (555) 234-5678
- michael.anderson@email.com

Committed School Assessment Educator with extensive experience in formative and summative assessment strategies. With over 4 years in educational settings, I specialize in creating assessments that support diverse learning styles and promote student achievement. My background in psychology allows me to understand the cognitive processes behind student learning, enabling me to design assessments that are both effective and engaging.
