Michael Anderson

BIOLOGY TEACHER FOR SPECIAL EDUCATION

Compassionate and experienced Biology Teacher with a focus on special education. With over 6 years in the field, I have dedicated my career to making science accessible for all students, including those with diverse learning needs. My teaching approach incorporates differentiated instruction and adaptive technologies, ensuring that every student can engage with the material.

EXPERIENCE

BIOLOGY TEACHER FOR SPECIAL EDUCATION

Maplewood High School

2016 - Present

- Developed inclusive biology lesson plans that accommodated a variety of learning styles.
- Utilized assistive technology to enhance student participation in biology labs.
- Collaborated with special education teachers to create and implement IEPs.
- Organized hands-on activities that promoted engagement for all students.
- Led workshops for staff on best practices for teaching students with disabilities.
- Monitored student progress and adjusted teaching strategies as needed.

SCIENCE TUTOR

Private Tutoring Services

2014 - 2016

- Provided one-on-one tutoring for students with learning disabilities in biology.
- Created customized learning materials that aligned with student IEPs.
- Utilized visual aids and interactive tools to enhance understanding of complex concepts.
- Supported students in preparing for state assessments in biology.
- Fostered a positive learning environment to build student confidence.
- Received feedback from parents praising significant improvements in student performance.
