

# MICHAEL ANDERSON

## Curriculum Assessment Coordinator

Results-driven School Curriculum Teacher with over 9 years of experience in higher education, focusing on curriculum assessment and improvement. I specialize in developing and implementing rigorous academic programs that challenge students while supporting their academic growth. My experience includes collaborating with faculty to assess curriculum effectiveness, leading program reviews, and integrating feedback from students and alumni to enhance course offerings.

### WORK EXPERIENCE

#### Curriculum Assessment Coordinator

2020-2023

State University

- Led curriculum review processes that resulted in the revision of over 50 courses to better align with industry standards.
- Developed assessment tools to evaluate student learning outcomes, leading to a 20% increase in retention rates.
- Coordinated faculty training sessions on best practices in curriculum development and assessment.
- Collaborated with academic departments to enhance interdisciplinary course offerings.
- Utilized data analytics to identify trends in student performance and inform curriculum improvements.
- Facilitated focus groups with students and alumni to gather feedback on program effectiveness.

#### Adjunct Faculty

2019-2020

City College

- Taught courses in educational psychology and curriculum development to undergraduate students.
- Implemented active learning strategies that improved student engagement and understanding of course material.
- Conducted assessments to measure student learning and provided constructive feedback.
- Collaborated with fellow faculty to enhance course syllabi and teaching resources.
- Advised students on academic pathways and career opportunities in education.
- Participated in university committees focused on curriculum innovation and assessment.

### ACHIEVEMENTS

- Awarded 'Excellence in Curriculum Design' by the University Board in 2021.
- Increased course completion rates by 15% through targeted curriculum adjustments.
- Presented at multiple educational conferences on curriculum innovation and assessment strategies.
