EDUCATION

MASTER OF SCIENCE IN SPECIAL EDUCATION, UNIVERSITY OF SPECIAL NEEDS

ACHIEVEMENTS

- Recognized for excellence in special education consulting by the National Special Education Association in 2022.
- Increased awareness and understanding of special education laws through community outreach programs.
- Successfully implemented strategies that improved student achievement by 25% for students with disabilities.

Experienced School Education Consultant with a specialization in special education and over 9 years of experience advocating for students with diverse learning needs. I have a strong background in developing individualized education plans (IEPs) and collaborating with educators to implement effective strategies that promote student success. My approach is centered on fostering inclusive classrooms where every student has the opportunity to thrive.

WORK EXPERIENCE

SPECIAL EDUCATION CONSULTANT

Inclusive Learning Strategies

2020 - 2025

- Provided training for over 150 educators on the implementation of IEPs and 504 plans.
- Developed resources and tools to support differentiated instruction for students with disabilities.
- Collaborated with multidisciplinary teams to assess student needs and recommend appropriate interventions.
- Conducted workshops that empowered parents to advocate for their children's educational rights.
- Monitored student progress and adjusted strategies to ensure academic success.
- Facilitated community awareness programs to promote understanding of special education needs.

EDUCATIONAL ADVISOR

School District of Excellence

2015 - 2020

- Guided the development of a district-wide initiative for inclusive education, impacting over 5,000 students.
- Assisted in the creation of training modules for teachers on adaptive technologies.
- Conducted assessments to evaluate program effectiveness and student outcomes.
- Collaborated with community organizations to provide resources for families of students with disabilities.
- Presented at state conferences on best practices in special education.
- Led initiatives that resulted in a 40% increase in the graduation rate of students with special needs.
