SUMMARY

Dedicated School Instructional Educator with over 10 years of experience in developing innovative learning strategies tailored to diverse student needs. Equipped with a passion for teaching and a commitment to fostering an inclusive classroom environment, I have successfully implemented state-of-the-art educational technologies that enhance student engagement and learning outcomes. My background in curriculum development and classroom management has allowed me to create an adaptive learning environment.

WORK EXPERIENCE

Lead Instructional Coordinator **Springfield Academy**

Jan 2023 - Present

- Designed and implemented a new math curriculum that increased student test scores by 30%.
- Conducted professional development workshops for teachers on integrating technology in the classroom.
- Facilitated weekly collaborative planning sessions that improved instructional strategies among staff.
- Utilized data analysis to identify student learning gaps and develop targeted intervention plans.
- Managed classroom resources and materials to ensure equitable access for all students.
- Engaged with parents and community members to foster a supportive learning environment.

Classroom Teacher **Greenwood High School**

Jan 2020 - Dec 2022

- Developed lesson plans that catered to various learning styles, resulting in a 25% increase in student engagement.
 - Implemented formative assessments to track student progress and adjust teaching strategies accordingly.
 - Supervised student projects that enhanced critical thinking and problem-solving skills.
 - Participated in school-wide committees to improve school culture and student support services.
 - Actively contributed to the development of the school's diversity and inclusion initiatives.
