## EARLY CHILDHOOD LEARNING COORDINATOR

Experienced School Learning Coordinator with a strong foundation in early childhood education and family engagement strategies. With over 9 years of experience, I specialize in creating developmentally appropriate learning environments that foster cognitive and social-emotional growth. My background includes collaborating with parents and community organizations to support holistic child development. I hold a Master's degree in Early Childhood Education and actively participate in educational workshops to enhance my teaching strategies.

## EXPERIENCE

### EARLY CHILDHOOD LEARNING COORDINATOR

Little Stars Preschool

2016 - Present

- Developed and implemented a play-based curriculum that increased student engagement by 40%.
- Organized family workshops to promote parental involvement in early learning activities.
- Collaborated with local health organizations to provide resources for families on child development.
- Facilitated training sessions for staff on child-centered teaching practices.
- Monitored student progress through assessments and adjusted curriculum accordingly.
- Created a welcoming environment that increased student enrollment by 25% in one year.

### LEAD TEACHER

Happy Trails Academy

2014 - 2016

- Designed and executed engaging lesson plans that addressed diverse learning needs.
- Established strong relationships with parents to support children's learning at home.
- Utilized assessment data to inform instruction and improve student outcomes.
- Mentored new teachers on effective classroom management strategies.
- Organized community events to promote the importance of early childhood education.
- Participated in state-level committees to advocate for early learning policies.
