

# MICHAEL ANDERSON

## CURRICULUM COORDINATOR

### PROFILE

With over 8 years of experience in educational leadership, I am a results-driven School Learning Facilitator focused on enhancing student learning through data-informed decision-making and collaborative practices. I have a proven track record of implementing innovative programs that address learning gaps and promote equity in education. My approach integrates the latest educational research with practical strategies that empower both educators and students.

### EXPERIENCE

#### CURRICULUM COORDINATOR

##### River Valley High School

2016 - Present
