MICHAEL ANDERSON

EARLY YEARS LEARNING MENTOR

Enthusiastic School Learning Mentor with 4 years of experience in early childhood education. My background includes working with preschool and elementary-aged children, focusing on fostering a love for learning and supporting their developmental needs. I excel in creating engaging and interactive learning experiences that promote curiosity and exploration. I have a strong ability to build rapport with young learners and their families, ensuring that each child feels valued and understood.

PROFESSIONAL EXPERIENCE

Happy Kids Academy

Mar 2018 - Present

Early Years Learning Mentor

- Designed and implemented developmentally appropriate lesson plans for preschool-aged children.
- Facilitated hands-on activities that enhanced fine motor skills and social interaction.
- Monitored student progress and communicated effectively with parents regarding development milestones.
- Created a nurturing environment that promoted emotional and social development.
- Organized community events to engage families in the educational process.
- Utilized creative arts and play-based learning to foster cognitive skills.

Little Explorers Preschool

Dec 2015 - Jan 2018

Child Development Assistant

- Assisted lead teachers in planning and executing engaging learning activities for young children.
- Provided support to children with developmental delays, improving their confidence and skills.
- Maintained a safe and clean learning environment, ensuring compliance with health regulations.
- Implemented positive behavior strategies to promote a cooperative classroom atmosphere.
- Communicated with parents to discuss children's progress and areas for improvement.
- Participated in professional development workshops to enhance teaching techniques.

ACHIEVEMENTS

- Enhanced student engagement levels by 35% through interactive learning activities.
- Successfully organized a family engagement event that attracted over 200 participants.
- Received positive feedback from parents for supporting their children's individual learning needs.
