Strategic School Learning Mentor with extensive experience in technology integration in education. With over 9 years of experience, I have successfully implemented technology-driven learning solutions that enhance student engagement and achievement. My background includes training teachers and staff on best practices for using educational technology. I am passionate about bridging the digital divide and ensuring that all students have access to modern learning tools.

WORK EXPERIENCE

Technology Integration Mentor — 2020-2023

Innovative Learning Academy

- Designed and implemented technology-focused curriculum enhancements that increased student engagement by 45%.
- Trained teachers on integrating educational technology into their lesson plans and classroom activities.
- Conducted workshops on digital literacy and responsible internet use for students and parents.
- Monitored student progress through data analytics to inform instructional strategies.
- Collaborated with IT staff to maintain and upgrade educational technology resources.
- Led initiatives to provide access to technology for all students, closing the digital divide.

Educational Technology Specialist — 2019-2020

Future Leaders Academy

- Developed and implemented training programs for staff on using educational software and tools effectively.
- Provided one-on-one support to teachers in the integration of technology into their teaching practices.
- Evaluated educational technology tools to recommend the best options for classroom use.
- Facilitated student-led technology projects that enhanced problem-solving and collaboration skills.
- Organized technology fairs to showcase student projects and innovations.
- Fostered a culture of innovation and creativity within the school community.

ACHIEVEMENTS

- Increased student technology usage by 50% through innovative programs and trainings.
- Received the 'Innovator Award' for outstanding contributions to educational technology integration.
- Successfully secured grants for technology upgrades, improving resources for students.
