Michael Anderson

ELEMENTARY MATHEMATICS TEACHER

Compassionate School Mathematics Teacher with 4 years of experience teaching at the elementary level. Specializes in creating interactive and engaging lesson plans that make mathematics fun and accessible for young learners. Committed to fostering a positive and nurturing environment that encourages students to explore mathematical concepts through hands-on activities and real-world applications.

EXPERIENCE

ELEMENTARY MATHEMATICS TEACHER

Sunnydale Elementary School

2016 - Present

- Designed and implemented interactive math lessons that promoted hands-on learning experiences.
- Used manipulatives and visual aids to help students grasp fundamental math concepts.
- Facilitated math games and activities that increased student engagement and enthusiasm for math.
- Collaborated with special education teachers to adapt lessons for students with varying needs.
- Conducted regular assessments to monitor student progress and inform instructional practices.
- Communicated with parents through newsletters and parent-teacher conferences to discuss student achievements.

MATH CAMP INSTRUCTOR

Summer Learning Academy

2014 - 2016

- Led summer math camps for elementary students, focusing on building foundational math skills.
- Developed engaging curriculum that included games, projects, and hands-on activities.
- Monitored and assessed student progress throughout the camp, providing feedback to parents.
- Utilized technology to enhance learning experiences, incorporating math apps and online resources.
- Fostered a positive learning environment that encouraged curiosity and exploration of math concepts.
- Received positive feedback from parents regarding student engagement and growth in math skills.
