WORK EXPERIENCE

Advanced Mathematics Teacher

2020-2023

Riverside High School

- Taught AP Calculus and AP Statistics, preparing students for advanced placement exams.
- Designed a challenging curriculum that resulted in a 95% pass rate on AP exams.
- Utilized data analytics to track student performance and inform instructional adjustments.
- Facilitated math workshops to enhance students' critical thinking and problem-solving skills.
- Collaborated with colleagues to integrate interdisciplinary approaches into mathematics instruction.
- Organized field trips to local universities to expose students to higher education opportunities.

Middle School Mathematics Teacher

2019-2020

Cedar Grove Academy

- Developed engaging lesson plans that aligned with state standards for middle school mathematics.
- Implemented formative assessments to monitor student understanding and provide timely feedback.
- Led a math club that encouraged students to explore mathematics beyond the classroom.
- Utilized technology to enhance learning experiences through interactive lessons and online resources.
- Communicated regularly with parents to discuss student progress and academic challenges.
- Received recognition for innovative instructional strategies that improved student engagement.

ACHIEVEMENTS

- Recognized for achieving the highest number of AP exam pass rates in the district in 2022.
- Initiated a mentorship program that paired high school students with middle schoolers for math tutoring.
- Published a paper on effective teaching strategies in mathematics education and
