

# MICHAEL ANDERSON

## EARLY YEARS NUMERACY TEACHER

### PROFILE

Innovative School Numeracy Teacher with over 7 years of experience specializing in early childhood education. Proven track record of creating a nurturing environment where young learners feel safe and excited to explore mathematical concepts. Skilled in using manipulatives and visual aids to help students grasp abstract ideas and develop a strong numerical foundation.

### EXPERIENCE

#### EARLY YEARS NUMERACY TEACHER

##### Sunnydale Kindergarten

2016 - Present

- Implemented hands-on math activities that promoted curiosity and engagement among preschoolers.
- Developed individualized learning plans for children with varying abilities.
- Utilized storytelling techniques to teach mathematical concepts through narrative.
- Organized family math nights to involve parents in their children's learning.
- Created assessment tools to measure student progress and inform instruction.
- Participated in community outreach programs to promote early math education.

#### ASSISTANT TEACHER

##### Little Explorers School

2014 - 2016

- Supported lead teacher in delivering math instruction to kindergarten students.
- Assisted in the development of engaging lesson plans and materials.
- Monitored student behavior and provided positive reinforcement for participation.
- Facilitated small group activities focused on number recognition and counting.
- Collaborated with parents to discuss student progress and strategies for support.
- Coordinated classroom resources to ensure an effective learning environment.
