WORK EXPERIENCE

Elementary Math Teacher

2020-2023

Bright Futures Academy

- Developed hands-on math activities that fostered creativity and critical thinking in students.
- Created a positive classroom environment that encouraged student participation.
- Incorporated art projects into math lessons to enhance learning experiences.
- Designed interactive games that improved students' problem-solving skills.
- Organized math challenges that increased student enthusiasm for the subject.
- Collaborated with parents to provide resources for math learning at home.

Math Workshop Leader

2019-2020

Community Learning Center

- Facilitated math workshops for parents and children to promote collaborative learning.
- Created engaging materials that simplified complex math concepts for families.
- Assisted in organizing community events focused on enhancing numeracy skills.
- Provided resources and support for parents to help their children succeed in math.
- Collaborated with local educators to share best practices in math instruction.
- Evaluated workshop effectiveness through participant feedback to improve future sessions.

ACHIEVEMENTS

- Recognized for 'Outstanding Teacher Award' in 2021 for exceptional teaching practices.
- Increased student engagement in math activities by 40% through innovative strategies.
- Successfully led a community initiative to promote math literacy among families.
