WORK EXPERIENCE

School Social Worker

2020-2023

Silver Lake Academy

- Provided individual and group counseling to students facing various emotional challenges.
- Developed and implemented individualized education plans in collaboration with teachers.
- Facilitated workshops for parents on mental health and support strategies.
- Conducted assessments to identify student needs and provide appropriate resources.
- Promoted social-emotional learning through school-wide initiatives.
- Documented student progress and collaborated with multidisciplinary teams for holistic support.

Social Work Intern

2019-2020

Mountain View School District

- Supported the lead social worker in providing counseling services to students.
- Assisted in developing intervention plans for students with behavioral issues.
- Participated in community outreach programs to connect families with resources.
- Maintained accurate records of student interactions and interventions.
- Engaged in staff training on mental health awareness.
- Assisted in organizing school events focused on mental health education.

ACHIEVEMENTS

- Successfully launched a mental health initiative that increased student participation in support services by 40%.
- Recognized for outstanding contributions to student welfare by local educational authorities.
- Implemented a social skills program that improved peer interactions among students.
