- michael.anderson@email.com

Distinguished School Social Worker with over a decade of dedicated service in fostering the emotional and psychological well-being of students in educational settings. Expertise encompasses the development and implementation of comprehensive intervention strategies aimed at enhancing student resilience and academic performance. Adept at collaborating with educators, parents, and community resources to address complex socio-emotional issues.

WORK EXPERIENCE

School Social Worker | Greenwood High School

Jan 2022 – Present

- Conducted comprehensive assessments to identify student needs and developed tailored intervention plans.
- Facilitated individual and group counseling sessions addressing issues such as bullying, anxiety, and family dynamics.
- Collaborated with teachers and administrators to create safe and supportive school environments.
- Implemented social skills training programs that improved student interactions and peer relationships.
- Coordinated with external mental health services to provide additional support for students and families.
- Monitored student progress and adjusted interventions based on data-driven results.

Social Work Intern | Sunnyvale Community Center

Jul 2019 – Dec 2021

- Assisted licensed social workers with case management for families in crisis.
- Conducted interviews and assessments to gather information for service planning.
- Participated in multidisciplinary team meetings to discuss client progress and resource allocation.
- Developed educational materials on community resources and support services.
- Supported outreach initiatives aimed at increasing awareness of mental health resources.
- Documented client interactions and maintained confidential records in compliance with HIPAA regulations.
