MICHAEL ANDERSON

STEM PROGRAM COORDINATOR

Enthusiastic School Subject Specialist with a focus on STEM education and over 6 years of experience in various educational settings. I am committed to fostering a love for science and math among students through hands-on learning experiences. My career has been dedicated to integrating technology into the classroom, allowing students to explore complex concepts in engaging ways.

PROFESSIONAL EXPERIENCE

Tech Forward Academy

Mar 2018 - Present

STEM Program Coordinator

- Designed and implemented after-school STEM programs for grades 4-8.
- Collaborated with local businesses to sponsor hands-on science projects.
- Trained teachers on integrating technology into their lesson plans.
- Developed partnerships with community organizations to enhance program reach.
- Organized student competitions to promote interest in STEM fields.
- Facilitated summer workshops for students to explore engineering concepts.

Riverside High School

Dec 2015 - Jan 2018

Science Teacher

- Developed engaging science curricula that aligned with state standards.
- Incorporated project-based learning to facilitate real-world applications.
- Utilized laboratory experiments to enhance student comprehension of scientific principles.
- Facilitated student-led science fairs to showcase research and projects.
- Mentored students in preparing for regional science competitions.
- Conducted professional development sessions on innovative teaching methods.

ACHIEVEMENTS

- Received the 'Innovative Teacher Award' for exemplary STEM program development in 2022.
- Increased student participation in science clubs by 50% over two years.
- Established partnerships with local universities for student research opportunities.
