MICHAEL ANDERSON

PRE-K TEACHER

Enthusiastic School Teaching Specialist with over 5 years of experience in early childhood education. Committed to creating a playful and stimulating classroom environment that encourages curiosity and a love for learning among young children. Skilled in developing age-appropriate lesson plans that incorporate hands-on activities and play-based learning. Adept at building strong relationships with students and their families to support their educational journey.

PROFESSIONAL EXPERIENCE

Little Learners Academy

Mar 2018 - Present

Pre-K Teacher

- Designed and implemented engaging lesson plans that promoted cognitive and social-emotional development in preschoolers.
- Utilized play-based learning techniques to foster creativity and critical thinking skills.
- Conducted regular assessments to monitor student progress and inform instructional practices.
- Collaborated with parents to create individualized learning goals for each child.
- Organized community events to promote family involvement in the educational process.
- Developed a classroom management system that encouraged positive behavior and conflict resolution.

Bright Futures Academy

Dec 2015 - Jan 2018

Assistant Teacher

- Supported lead teacher in implementing curriculum and classroom activities for children ages 3-5.
- Assisted in assessing children's developmental milestones and communicating findings to parents.
- Facilitated small group activities that promoted language development and social skills.
- Maintained a safe and nurturing classroom environment that fostered a sense of belonging.
- Participated in professional development workshops focused on early childhood education best practices.
- Enhanced classroom organization and resource availability through effective inventory management.

ACHIEVEMENTS

- Recognized as Teacher of the Month multiple times for creating an engaging learning environment.
- Increased student participation in classroom activities by 25% through innovative teaching methods.
- Developed a parent engagement program that led to improved communication and student success.
