### ACHIEVEMENTS

- Recognized as 'Trainer of the Year' by the National Training Association in 2021.
- Increased participant engagement in workshops by 50% through interactive formats.
- Successfully developed a mentoring program that improved teacher retention rates by 25%.

### PROFILE

With a strong background in both teaching and training, I have spent the last decade evolving as a School Teaching Trainer. My journey began in the classroom, where I was recognized for my innovative teaching methods that engaged students and improved academic performance. Transitioning into a trainer role, I have focused on developing tailored professional development programs that meet the diverse needs of educators.

### EXPERIENCE

#### EDUCATION TRAINER

##### Teach for America

*2016 - Present*

- Conducted workshops for new teachers, focusing on classroom management and instructional techniques.
- Designed and implemented a training program for over 200 educators nationwide.
- Monitored and evaluated teacher performance, providing constructive feedback for improvement.
- Created resource guides for teachers, enhancing their instructional strategies.
- Facilitated monthly peer review sessions, encouraging collaborative learning among teachers.
- Utilized data analytics to measure the impact of training on student performance.

#### PROFESSIONAL DEVELOPMENT CONSULTANT

##### Educational Consulting Group

*2014 - 2016*

- Developed customized training solutions for various school districts.
- Conducted needs assessments to identify areas for improvement in teaching practices.
- Facilitated online training webinars, reaching educators across multiple states.
- Collaborated with school leadership to align professional development with school goals.
- Created a library of online resources and tools for ongoing teacher support.
- Led workshops that increased teacher confidence in using technology in the classroom.
