SKILLS

- SDN
- Network Security
- Compliance
- Network Monitoring
- Vulnerability Assessment
- Team Collaboration

LANGUAGES

- English
- Spanish
- French

EDUCATION

**BACHELOR OF SCIENCE IN
CYBERSECURITY, CITY UNIVERSITY,
2015**

ACHIEVEMENTS

- Enhanced security protocols, resulting in a 30% decrease in security incidents.
- Successfully completed a major SDN project ahead of schedule, increasing team efficiency.
- Recognized for outstanding contributions to network security compliance in 2020.

WORK EXPERIENCE

NETWORK SECURITY ENGINEER

FinTech Solutions Group

2020 - 2025

- Engineered SDN solutions that improved security compliance by 30% for financial transactions.
- Implemented network segmentation strategies using SDN to protect sensitive data.
- Collaborated with compliance teams to ensure adherence to industry regulations.
- Developed monitoring systems for real-time threat detection within SDN environments.
- Provided technical training on SDN security features to internal staff.
- Conducted vulnerability assessments and implemented remediation strategies.

SDN ANALYST

Secure Networks Corp.

2015 - 2020

- Assisted in the deployment of SDN technologies that enhanced network security protocols.
- Monitored network traffic for anomalies, improving incident response times by 20%.
- Worked with development teams to integrate secure coding practices into SDN applications.
- Participated in audits and assessments of network security measures.
- Provided support during security incidents, ensuring compliance with regulations.
- Prepared reports on network performance and security metrics for management review.
