SKILLS

- Network Security
- System Administration
- Incident Response
- Vulnerability Management
- Technical Support
- Security Policy Development

EDUCATION

BACHELOR OF SCIENCE IN INFORMATION TECHNOLOGY, UNIVERSITY OF SCIENCE

LANGUAGE

- English
- Spanish
- German

ACHIEVEMENTS

- Successfully reduced security incidents by 45% through proactive measures.
- Recognized for excellence in security administration and support.
- Led a project to enhance network security protocols, improving overall security posture.

Michael Anderson

NETWORK SECURITY ANALYST

Strategic and committed Security Analyst with a rich background in network security and system administration. With over seven years of experience, demonstrated expertise in managing security infrastructure and ensuring the integrity of data across various environments. Skilled in configuring and maintaining firewalls, intrusion detection systems, and VPNs. A strong advocate for proactive security measures, capable of identifying and addressing potential threats before they manifest.

EXPERIENCE

NETWORK SECURITY ANALYST

NetSecure Solutions

2016 - Present

- Managed network security infrastructure, including firewalls and IDS.
- Configured and monitored VPNs for secure remote access.
- Conducted regular security audits and vulnerability assessments.
- Developed and implemented incident response strategies.
- Collaborated with IT teams to ensure compliance with security policies.
- Provided technical support for security-related issues.

SECURITY ADMINISTRATOR

SecureData Inc.

2014 - 2016

- Administered security systems to protect sensitive information.
- Monitored network traffic for suspicious activities.
- Assisted in the development of disaster recovery plans.
