

MICHAEL ANDERSON

Senior Care Program Coordinator

Results-driven Senior Care Program Coordinator with a strong background in behavioral health and wellness for seniors. Expertise in designing and implementing therapeutic programs that promote mental and emotional well-being among aging populations. Proven ability to collaborate with healthcare professionals to create comprehensive care plans that address both physical and psychological needs.

WORK EXPERIENCE

Senior Care Program Coordinator

2020-2023

Wellness for Seniors

- Designed therapeutic programs aimed at improving mental health outcomes for seniors.
- Collaborated with multidisciplinary teams to create holistic care plans.
- Conducted community workshops to raise awareness about senior mental health issues.
- Utilized feedback to refine program offerings and address participant needs.
- Monitored program effectiveness through qualitative and quantitative assessments.
- Engaged with families to provide support and resources for mental health care.

Behavioral Health Coordinator

2019-2020

Senior Mental Health Services

- Coordinated behavioral health services for seniors, focusing on integrated care.
- Trained staff on recognizing and addressing mental health issues in aging populations.
- Developed strategies to improve service accessibility for underserved seniors.
- Monitored compliance with mental health regulations and standards.
- Evaluated program outcomes and made recommendations for improvement.
- Facilitated group therapy sessions to enhance community support among seniors.

ACHIEVEMENTS

- Increased program enrollment by 35% through targeted outreach initiatives.
- Received a community service award for contributions to senior mental health awareness.
- Developed a published guide on best practices for mental health interventions in seniors.
