MICHAEL ANDERSON

URBAN FORESTRY COORDINATOR

Innovative Senior Forester specializing in urban forestry and community engagement, with over 12 years of experience in enhancing urban green spaces. Expertise in tree health assessment, urban planning, and public outreach, contributing to improved urban ecosystems. Demonstrated ability to coordinate with municipal agencies to implement tree planting initiatives and maintain urban forests.

PROFESSIONAL EXPERIENCE

City of Springfield

Mar 2018 - Present

Urban Forestry Coordinator

- Led urban tree canopy assessments, identifying areas for improvement and expansion.
- Developed and implemented community tree planting programs, resulting in 5,000 new trees planted.
- Coordinated with local schools to create educational programs on tree care and biodiversity.
- Managed a team of volunteers for urban greening initiatives.
- Utilized GIS to map urban tree resources and track health metrics.
- Presented urban forestry strategies to city council, securing funding for projects.

Green City Coalition

Dec 2015 - Jan 2018

Community Engagement Specialist

- Facilitated workshops on urban forestry, reaching over 1,000 residents.
- Collaborated with local businesses to sponsor tree planting events.
- Developed promotional materials to raise awareness about urban forest benefits.
- Conducted surveys to assess community needs regarding green spaces.
- Worked with municipal planners to integrate trees into urban design.
- Advocated for policies promoting urban forestry at public meetings.

ACHIEVEMENTS

- Received the Urban Greening Award for outstanding contributions to community forestry.
- Increased community participation in tree planting initiatives by 40%.
- Published articles in local newspapers promoting the importance of urban trees.
